Your financial aid application ("FAFSA") was selected for a process called "verification" which means that you will need to provide additional information before your official eligibility can be determined.

Your FAFSA indicated that a parent you live(d) with -- *or, if you are "independent", you or your spouse* -- paid child support to someone else in 2013. The person who paid that child support is to complete and return this Worksheet to the address below.

If you have questions, please contact us as soon as possible so that your financial aid will not be delayed.

Please check the one true statement:

❑ I paid Child Support in 2013 for the person(s) shown below. These children are not included on the FAFSA as members of my household.

❑ I did not pay Child Support in 2013.

Person Who Paid Child Support	Person to Whom Child Support was Paid	Child for Whom Support was Paid	Amount Paid In 2013

			$

Note: You may either include these children as members of the household (if you provide more than 50% of their support) **or** include the amount of child support you paid, but you may not include these children as members of the household and list child support paid.

Certification: All information has been completed according to the instructions, and is true and complete to the best of my knowledge. I agree to provide any documentation that will verify the accuracy of this information. I understand that if I purposely give false or misleading information, I may be fined up to $20,000, sent to prison, or both.
