Awards range from \$3,000 to \$8,000

Name _____ High School/College _____

Phone _____ E-mail _____

What is/are your intended major(s): _____

- Eligibility limited to one Forester Scholarship.
- It is highly recommended that the scholarship application accompany your application for admission. Scholarships submitted after the admission deadlines will be considered as funds are available.
- You need not be a math or computer science major to apply for this scholarship.

Please complete the following on a separate sheet of paper:

1. In what math activities have you been involved?
2. List the courses you have taken in math or computer science.
3. What math honors and awards have you earned?
4. What math projects have you completed?
5. Which computer science programming languages and software packages have you used?
6. What are your long-term interests in respect to graduate school or careers?
7. Why are you inspired to study math and computer science?

Applicants are required to interview with a member of the math & computer science faculty. Students must complete an on-campus or telephone interview. We highly encourage a campus visit. Please indicate below your preference in fulfilling the interview requirement.

On-Campus Interview. Please provide three dates and times:

Telephone Interview. Please provide three dates and times (central time):
