Please write an essay in response to the following assignment. Please type your essay and attach it to this form; responses should be double-spaced and limited to 2-3 pages.

Assignment:

Imagine that you are responsible for completing a volunteer project anywhere in Illinois with a team of three people, in addition to yourself. Describe the volunteer project you will pursue and explain why you chose this particular endeavor. What will your group be doing and where will you be working?

In selecting your team members, you may consider anyone imaginable – including those living or deceased, fictional or non-fictional. What three individuals will you select to be part of your volunteer team and why? Please consider the characteristics of each team member and how each person's strengths will contribute to the group dynamic and the mission of the project.

Finally, how does the project you select reflect your passions and personal values?

Please remember this assignment is completely theoretical, and you are not required to execute the volunteer project for the scholarship. Feel free to be as creative as possible in your essay.

Scholarship Renewal Requirements:

Recipients must maintain a minimum Lake Forest College GPA of 2.5. Forester Scholarships are renewable for up to four years for first-year students and on a pro-rated basis for transfer students.
