**You and one parent must complete and sign this Worksheet, returning it to the above address, and include all required documents.**

If you have questions, please contact us as soon as possible so that your financial aid will not be delayed.

### >> Who Provides Information on this Worksheet? <<<

- ✓ If your parents are both living and married to each other, base your answers on both parents.
- ✓ If your parent is widowed or single, base your answers on that parent alone.
- ✓ If your parent has remarried, you must include information for both parent and stepparent.
- ✓ If your parents are divorced or separated, base your answers on the parent you lived with most during the last 12 months. If you lived with both parents equally, base your answers on the parent who provided you with more financial support in the last year.
