Eugene Hotchkiss III was appointed president of Lake Forest College in 1970 and served in that role for 23 years, retiring as President Emeritus in 1993. During a presidency marked by multiple accomplishments, Gene and his wife Sue were particularly known for their passionate support for faculty scholarship. Gene and Sue believed that the heart of a liberal arts college lies in a faculty dedicated to teaching and committed to scholarship. They felt that, in order to teach freshly, faculty members needed to have opportunities to refresh their scholarship and that the best indicator of scholarly engagement was peer-reviewed scholarship. After Sue passed away in 2013, Gene expressed the wish to provide further support for the scholarly and professional work of the College’s faculty. Thanks to Gene’s generosity, we are delighted to inaugurate the annual Sue and Gene Hotchkiss Celebration of Faculty Scholarship and to gather together to honor the published work of our distinguished faculty.
