Please complete the following:

1. What is/are your intended major(s)? __________________________________________________________

2. Please answer the following short questions on a separate sheet of paper:
   - What art and/or art history courses might you like to take during your time at the College, and why?
   - What would you like to learn more about in terms of art or art history?
   - What, if any, job or career options can you imagine for yourself related to the arts?

3. Present an original portfolio of your artwork. See below for recommendations.
   - We recommend 20 images that show at least 10 different examples of work.
   - The images may be presented in 35 mm slide format, or in digital on a CD, a flash drive, or a web gallery. Images may not be submitted by email attachment.
   - The quality of your images is important; they should be well lit, in focus, and fit well into the format of presentation to best document your artwork.
   - You are urged to present work that demonstrates your ability to work directly from life (still-life, figure, landscape, etc.) rather than from photographs.
   - You are encouraged to present examples of work from a variety of different media, if available.

4. Submit an image list with your portfolio submission. This can be a word document or a PDF, and should give as much specific information as possible about each artwork, including title, dimensions, media, and year completed. The sequence of the images in the image list must be numbered and in exactly the same order in which the images appear in the portfolio.

5. Please describe your abilities and experiences in art:
   - What medium do you use?
   - In your experience, how is working directly from life different from copying other images, including photographs?
   - What are historical precedents, or contemporary art are you interested in, and why? Describe your most successful piece or series of art. Explain your initial concept or inspiration, your process and how the process affected the outcome.
   - Finally, note any exhibitions or honors related to your artwork.

Please return application and supporting materials to:
Office of Admissions, Lake Forest College
555 N. Sheridan Road, Lake Forest, IL 60045
