Directions for signing up can be found below. Our College code (Avis Wizard Number) is AWD **Q853400**. You will need a wallet sized laminated tax exempt card, if you do not have one, visit the business office.

\*AVIS car rentals are tax exempt for business travel - the College discount can also be used for personal travel

If you find a better price online, feel free to use another rental company. Enterprise and Hertz provide a discount as well. Employee business travelers are able to rent cars using our **tax exempt** status with Avis. When you go to the preferred parking lot, on your way out **show the College laminated tax exempt card at the booth.**

All rentals (including mini vans and sport utility vehicles) have unlimited mileage (for College related trips). (Please be aware that all rental companies charge an extra \$5/day for one day rentals on Tuesdays or Wednesdays).

**Another benefit:** We have also eliminated the airport premium city tax and ceiling rates are now locked in. You won't pay more than the ceiling price listed. You must use the code AWD **Q853400**. To do this go to the AVIS home page for reserving the car, at the bottom section, where it says *optional information*, check the box that says I have a discount code. Enter in the AWD # **Q853400**. As a frequent traveler you also have a wizard/preferred number which is entered on this page as well. When you are on the "pick a car" page, make sure the banner that is toward the top right side of the page says "**View Lowest Rates**"
