## Advanced Placement Credit

Advanced Placement work is awarded Lake Forest College course credit as listed below for the tests and scores noted (e.g., a score of 4 on the AP Chemistry exam receives credit for CHEM 115). Only scores of 4 and 5 receive credit, although some departments will award credit for a score of 3. AP credits will be listed on your permanent record and may be used to meet your Forester Foundation Curriculum requirements. In some cases, AP courses may meet your major requirements. Credit will not be granted for both Advanced Placement and International Baccalaureate examinations in the same department.

Note: Students interested in registering for languages should use the recommendations listed in this booklet. Modern (foreign) language placement is at the discretion of the department. Appropriate course levels will be discussed with students by departmental faculty in the fall and course changes may take place at that time if necessary.

*One credit granted toward graduation; departmental discretion toward possible major requirement (if applicable).

** General graduation credit only; does not count toward major.

^ If 4 or 5 on AB subscore.

~ Credit for PSYC 110 will be given if a score of 5 is received on the Psychology exam and a score of 4 or 5 is received on the Statistics exam. If credit for PSYC 110 is given, this course is used toward Natural Sciences (NS) Forester Foundation Curriculum requirements.

In either French or Spanish, if a student takes both examinations, the following table applies:
Two AP 3’s get credit for 110 and 112.
Two AP 4’s get credit for 112 and 210.
Two AP 5’s get credit for 210 and 212.
**Advanced Placement Credit**

Advanced Placement work is awarded Lake Forest College course credit as listed below for the tests and scores noted (e.g. A score of 4 on the AP Chemistry exam receives credit for CHEM 115).
