TOP 6 DEGREES AWARDED
- Biology
- Business
- Communication
- Economics
- Finance
- Psychology

DISTINCTIVE ACADEMIC PROGRAMS
- The minor in entrepreneurship and innovation is a popular choice for students in all disciplines.
- Majors in both finance and business—not offered at many liberal arts colleges.
- Self-designed major: Students work with a faculty advisor to design a major suited to their academic interests.
- Richter Scholar Program: One-on-one research opportunities with a professor during the summer after the first year.
- More than one third of all students double major—students can declare up to two majors and one minor, or one major and two minors.

ACTIVE STUDENT LIFE
- More than 80 clubs and organizations
- 23 Division III varsity sports

CHICAGO CONNECTIONS
- Lake Forest In The Loop Program: Students live in Chicago completing internships and taking courses.
- Center for Chicago Programs: An on-campus office devoted to connecting students with Chicago through faculty-led class trips, fun student-led trips, and a host of ways to explore Chicago.

INTERNSHIPS AND CAREER PREPARATION
- Ranked #9 for “Best Schools for Internships” —Princeton Review 2020
- Ranked #12 for “Best Alumni Network” —Princeton Review 2020
- More than 99% of our graduates get jobs or continue their education within six to nine months of graduation.
- Career Pathways: A unique model for career preparation that matches students’ interests with possible career paths. Career Advancement Center staff begin working with students during their first year.
- Students may complete up to three for-credit internships.
- Internships are abundant in the Chicago area. Our students also secure internships in major cities around the country.

WHAT’S NEW
- Data science major was introduced in fall 2019 as an interdisciplinary major.
- The new $43 million state-of-the-art Lillard Science Center opened in fall 2018.
- Ranked #45 for “Best Value College” —U.S News & World Report
- Ranked #7 for “Social Mobility” (graduating students from economically disadvantaged backgrounds) —U.S News & World Report
- Ranked #14 for “Best Health Services” —Princeton Review 2020
- Ranked #20 for “Most Popular Study Abroad Program” —Princeton Review 2019
