

How to Gain Temporary Access to Creative Cloud

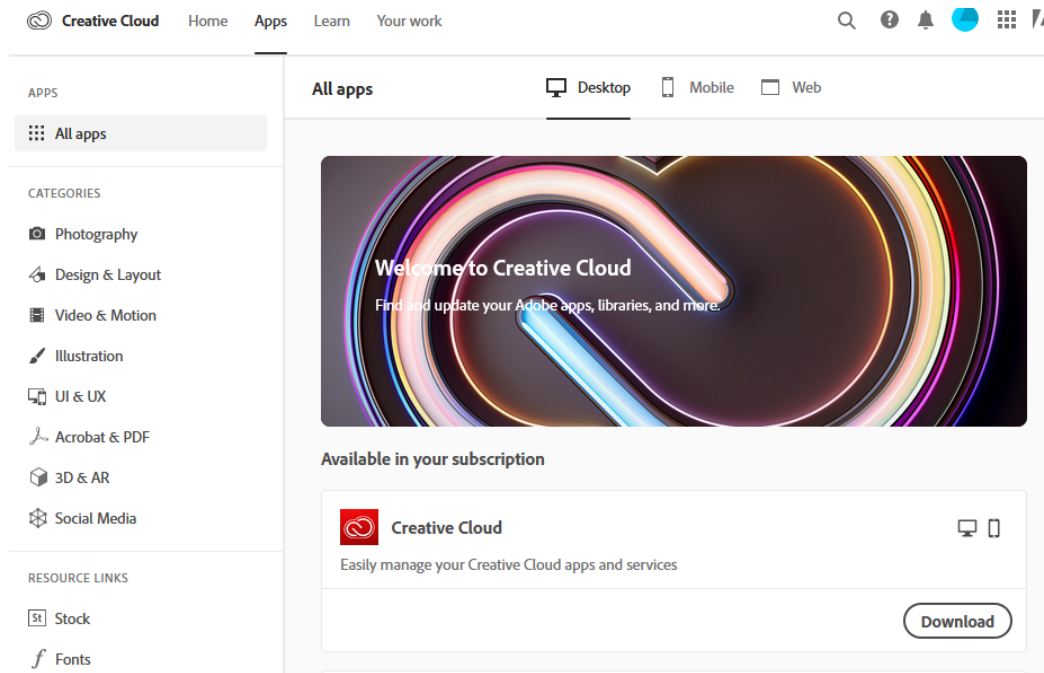

1. Go to <https://creativecloud.adobe.com> and enter your Lake Forest College email address. Click the **Continue** button.

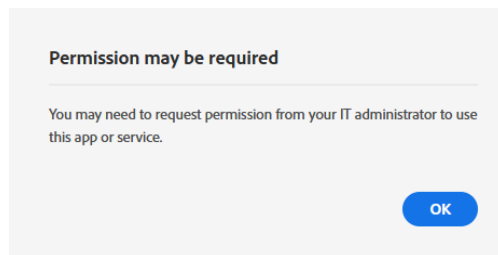

2. You will be directed to the Lake Forest sign-in page. Enter your Lake Forest College **Username**, (i.e., the username is the part of your email address that is before the @ symbol) and **Password**. Click the **Login** button.

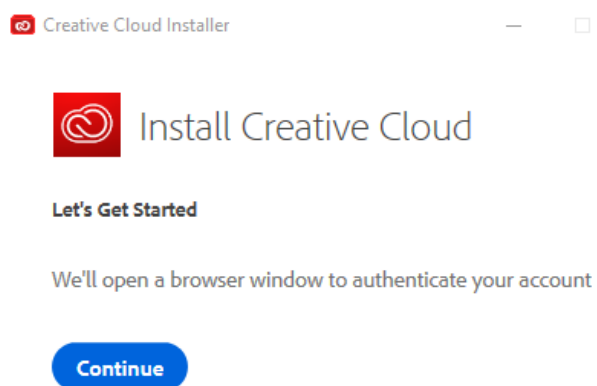

- Once logged in, go to the **Apps** tab and download **Creative Cloud**.

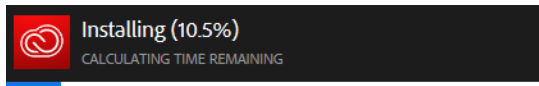

- Click **OK** to move past the **Permission may be required** prompt.

- After running the installer click **Continue**.

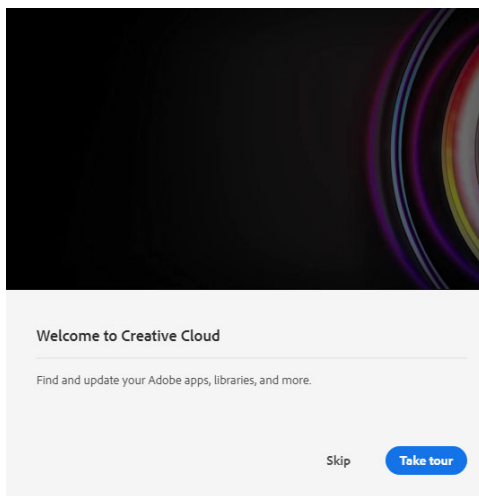

- If you previously closed your browser as the installation progress, your browser will open and you will need to logon again following the same steps outlined in steps 1 and 2 above. Once logged in, the installaion will continue.

Installation in progress

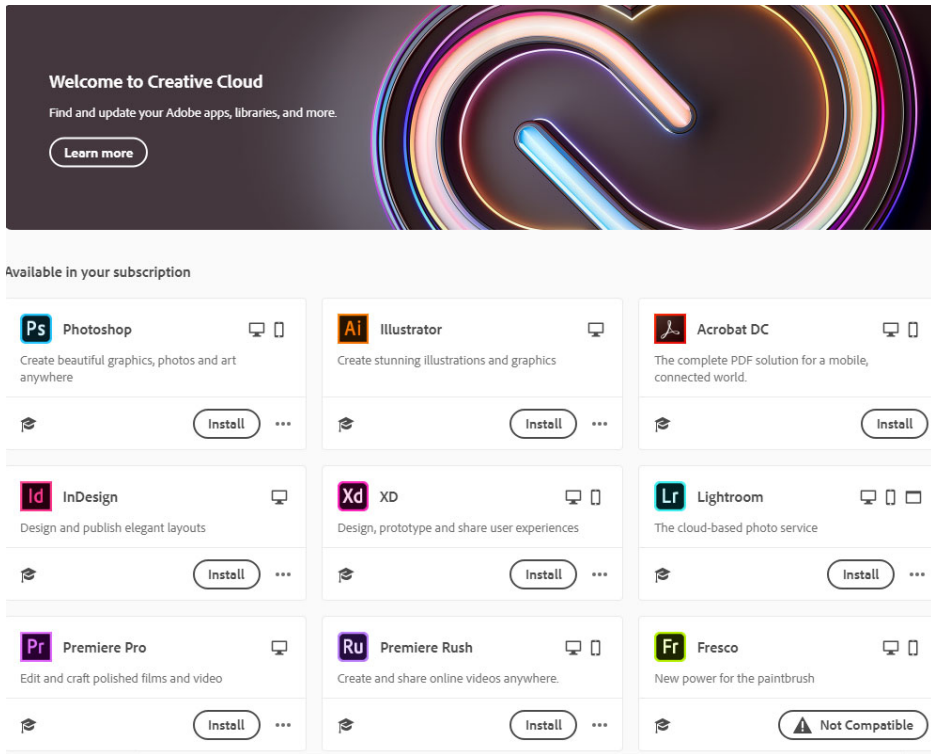

Do not close this window until installation is complete.

- You will be invited to **Take tour**, which you can choose to do. Alternatively, you can click **Skip** to move the process along.

8. Click **Install** for each of the applications you need.

Note: The free access to Adobe Creative Cloud extends only through May 31, 2020.

9. To logout of Creative Cloud, click the blue circle in the top right of the Creative Cloud Desktop app and select **Sign out**. To log back in, follow the directions in steps 1 and 2 above.
