Installing Zoom on Android Devices

1. Tap on the Google <u>Play Store</u> icon.

2. Enter *zoom* in the search text area, and then tap **ZOOM Cloud Meetings** from the search results.

3. In the next screen, tap **Install**. If prompted to allow access to your device camera and microphone, click on **Accept**. Once the installation completes, click on the **Open** button.

Zoom is a free HD meeting app with video and screen sharing for up to 100 people

4. In the Zoom app, tap Sign In.

5. In the Sign In window, tap **SSO**.
