

Installing Zoom on iOS Devices

1. Tap on the Apple [App Store](#) icon on your iOS device to open it.

2. Tap on **Search** at the bottom right of your screen.
3. Enter **Zoom** in the search text box.

4. Select **ZOOM Cloud Meetings** from the available app choices and then tap on the **GET** button.

5. The install process will start.

6. When the installation is complete, tap the **Open** button.

7. In the Zoom app, tap **Sign In**.

8. In the Sign In window, tap **SSO**.

9. Enter **lakeforest** in the text box to complete the domain name, then tap the **Go** button.

10. In the Lake Forest College sign in page below, enter your College **Username** (not your full email address) and your email **Password**. Click on the **Login** button.

A screenshot of the Lake Forest College login page. At the top, the status bar shows the time as 12:44, signal strength, Wi-Fi, cellular service, and 99% battery. The page features the Lake Forest College logo, which is a red shield with a white border, containing the year '1857' and oak leaves. To the right of the logo, the text 'LAKE FOREST COLLEGE' is displayed in a serif font. Below the logo and text, there are two text input fields. The first is labeled 'Username' and the second is labeled 'Password'. Below the password field is a checkbox labeled 'Don't Remember Login'. At the bottom of the form is a large red button with the text 'Login'. Below the button, there are two links: 'Forgot your password?' and 'Need Help?'.

11. If you see the following pop-up, tap **Open**.

12. In the next window, tap **Allow**.

13. In the next window, tap **OK**.

14. The Zoom main window will be displayed, and you can now launch it from the Zoom icon on your home screen.
