I interned at the Federal Reserve Bank of Chicago thanks to a connection my professor had. Lake Forest is a place where if you do well in your classes and put in that extra work, it’s going to show and the connections will grow accordingly.

Make it personal. Transfer Admission Process.
We have an individualized admissions process where we take the time to get to know you—not just your GPA and test scores. We even offer on-site admission virtually, on our campus, and at MCC.

APPLICATION
You may apply online for free using the Lake Forest Transfer Application or the Transfer Common Application. Visit lakeforest.edu/transfer.

TRANSCRIPTS
Submit your official transcripts from all colleges and universities you have attended, as well as your high school transcript. In most cases, you should have a cumulative GPA of at least 2.5 on a 4.0 scale for consideration. Applicants wishing to major in Business, Economics, Finance, Education, or Communication are required to have a minimum GPA of 3.0 on a 4.0 scale for consideration.

LETTERS OF RECOMMENDATION
If you have more than 30 semester hours (44 quarter hours), you are required to submit a letter of recommendation from a professor at your most recent college. If you have completed fewer than 30 semester hours, you may submit a secondary school teacher recommendation.

INTERVIEW
We see the interview as a conversation about your goals and what you value in an education. It serves as an opportunity to “lift yourself off the page” and get beyond the admission statistics.

STANDARDIZED TEST SCORES
Lake Forest College is test-optional. You may choose not to submit your scores as part of our test-optional admissions policy. If you choose to submit your test scores, we accept both the ACT and the SAT and take the best sub-scores to compile a composite score.

Find our Transfer Guides at lakeforest.edu/transfer-guides.
