**Make your own way.** Lake Forest College supports the academic growth and personal success of all of our students. Whether you are a transfer student from a community college or a four-year institution, you will be welcomed into a friendly and inclusive community of students from nearly every state and over 96 countries.

Lake Forest College is located 30 miles north of Chicago in the historic North Shore community of Lake Forest, Illinois. The beautiful 107-acre campus is within walking distance of the train to Chicago and the shore of Lake Michigan.

You will have access to top professors, career counselors, alumni, internships, and research. Classes are small—the average class size is 19—and faculty do all the teaching and advising—you won’t find teaching assistants here.

Caleb Arnwine  CLASS OF 2018
CURRENT JOB: Technical Recruiter at TEKsystems
MAJOR: Philosophy
TRANSFERRED FROM: College of Lake County

“I built strong relationships with my professors. They were willing to help me with work references, letters of recommendation for grad school, and advised me on routes to take based on my interests. That, to me, was more valuable than sitting in a classroom with hundreds of students and a professor who doesn’t know you.”

Make it personal. Transfer Admission Process.
We have an individual admissions process where we take the time to know you—not just your GPA and test scores. We even offer on-site admissions, both virtually and on campus, so we can review your application and materials together, and you can receive an admission decision right away.

APPLICATION
You may apply online for free using the Lake Forest Transfer Application or the Transfer Common Application. Visit lakeforest.edu/transfer.

TRANSCRIPTS
Submit your official transcripts from all colleges and universities you have attended, as well as your high school transcript. In most cases, you should have a cumulative GPA of at least 2.5 on a 4.0 scale for consideration. Applicants wishing to major in Business, Economics, Finance, Education, or Communication are required to have a minimum GPA of 3.0 on a 4.0 scale for consideration, and require approval by the chair of the department.

LETTERS OF RECOMMENDATION
If you have more than 30 semester hours (44 quarter hours), you are required to submit a letter of recommendation from a professor at your most recent college. If you have completed fewer than 30 semester hours, you may submit a secondary school teacher recommendation.

INTERVIEW
We see the interview as a conversation about your goals and what you value in an education. It serves as an opportunity to “lift yourself off the page” and get beyond the admission statistics.

STANDARIZED TEST SCORES
Lake Forest College is test-optional. You may choose not to submit your scores as part of our test-optional admissions policy. If you choose to submit your test scores, we accept both the ACT and the SAT and take the best sub-scores to compile a composite score.
Easy Transfer of Credits

Whether you’re coming from a community college or a four-year institution, we’ll work with you one-on-one to transfer your college credits to Lake Forest. You may transfer up to a maximum of two years of college coursework. If you are a recipient of an applicable Associate of Arts (AA) degree or an Associate of Science (AS) degree from an accredited community college, you may be granted full junior standing. Credit is also given for Advanced Placement and International Baccalaureate examinations.

“When I visited campus, I knew Lake Forest was the right place for me. It checked off everything that I wanted in a college—affordable, small class sizes, and a great location.”

Randi Murawski  CLASS OF 2020
MAJOR: Communication
TRANSFERRED FROM: McHenry County College

Make it happen. Career Preparation and Internships.

“"We prepare our students for, and help them attain, productive and rewarding careers."”

—from the Lake Forest College Mission Statement

The Career Advancement Center offers exceptional career counseling as well as a host of networking opportunities with alumni and employers. Students are encouraged to pursue for-credit internships, which are abundant in the Chicago area. Every student is assigned a career advisor when they begin at the College.

96% of recent graduates had secured jobs or enrolled in grad school within six to nine months of graduation.

“We are intentional in our approach to career preparation so as not to leave it to chance whether or not our students do well after graduation.”

—Colleen Monks, director Career Advancement Center

Lake Forest was recently ranked #2 in the nation as a Top Performer for Social Mobility by U.S. News & World Report. The Princeton Review also featured Lake Forest among its top 25 Best Schools for Internships.
