“...I built strong relationships with my professors. They were willing to help me with work references, letters of recommendation for grad school, and advised me on routes to take based on my interests. That, to me, was more valuable than sitting in a classroom with hundreds of students and a professor who doesn’t know you.”

The Career Advancement Center (CAC) is great. They helped me line up several internships and provided opportunities to shadow physicians. The CAC has been a great resource for seeking out opportunities for growth and pushing me out of my comfort zone to become a stronger individual. I even started my own company with a fellow student and CLC graduate, Karla Figueroa, to provide water to survivors of natural disasters.

We have an individual admissions process where we take the time to get to know you—not just your GPA and test scores. We even offer on-site admission virtually, on our campus, and at CLC.

**APPLICATION**
You may apply **online for free** using the Lake Forest Transfer Application or the Transfer Common Application. Visit lakeforest.edu/transfer.

**TRANSCRIPTS**
Submit your official transcripts from all colleges and universities you have attended, as well as your high school transcript. In most cases, you should have a cumulative GPA of at least 2.5 on a 4.0 scale for consideration. Applicants wishing to major in Business, Economics, Finance, Education, or Communication are required to have a minimum GPA of 3.0 on a 4.0 scale for consideration, and require approval by the chair of the department.

**LETTERS OF RECOMMENDATION**
If you have more than 30 semester hours (44 quarter hours), you are required to submit a letter of recommendation from a professor at your most recent college. If you have completed fewer than 30 semester hours, you may submit a secondary school teacher recommendation.

**INTERVIEW**
We see the interview as a conversation about your goals and what you value in an education. It serves as an opportunity to “lift yourself off the page” and get beyond the admission statistics.

**STANDARDIZED TEST SCORES**
Lake Forest College is test-optional. You may choose not to submit your scores as part of our test-optional admissions policy. If you choose to submit your test scores, we accept both the ACT and the SAT and take the best sub-scores to compile a composite score.
