

ed TPA Scores 2020-21

Typically, candidates in Illinois are required to pass edTPA to be qualified for licensure. In AY 2020-2021, the edTPA requirement was waived due to the pandemic. Thus the test was optional for LFC teacher candidates and only five opted to take the test. It was not consequential for licensure, so candidates did not need to retake the test if they did not pass. The results of the edTPA tests are provided below.

2020-2021			
Content Area	# Who Took Test	% Passed	Mean Total Score
