The General Education Curriculum (GEC) at Lake Forest College provides an integrated framework for all Lake Forest College students. Students may satisfy most of the Lake Forest General Education Curriculum requirements in transfer as listed below.

This information only pertains to courses transferable to the GEC credit, not necessarily for credit toward an academic major. Courses may be transferable for elective credit, but not necessarily for credit towards a major and/or minor. Academic departments are responsible for determining which course credits may be applied toward a major or minor. After departmental review, in certain limited cases students may be required to repeat a course, which may result in the loss of transfer credit.
