LOCATION
Camps are held at the Lake Forest College Sports Center. Opened in April 2010, this $17-million dollar athletic facility is home to 17 intercollegiate sports. Campers will have the opportunity to utilize all of the building’s features, including the brand new air conditioned gymnasium, four basketball courts and swimming pool (overnight camp only).

OVERNIGHT ACCOMMODATIONS
Campers will be housed in the college’s dormitory rooms. Each quad houses four campers, has two separate rooms and its own personal washroom facility. Should you have a roommate preference, please indicate the name or names (up to four campers per room) and mail the applications in together. Every possible attempt will be made to accommodate your request. If you do not have a roommate preference, your son will be paired with other campers in his age group. The college cafeteria will provide excellent, all-you-can-eat meals for each camper.

A MESSAGE FROM COACH KEN DAVIS

We are very excited to announce our 2015 camp schedule and look forward to hosting, once again, at Lake Forest College. Kyle Taber and Dewayne Evans, experienced assistant coaches at the College, will return for their fifth year heading up the camp, and will be joined by members of our men’s basketball program. The recent $17-million dollar addition to our Sports Center will allow campers to take advantage of one of the finest athletic facilities in the Midwest.

On behalf of myself and our staff, we look forward to making this a fun experience for all campers. Not only will your child learn the fundamentals of the game via breakdown sessions, they will also benefit from real-game experiences. To ensure your child doesn’t miss out on this opportunity, we recommend sending in your application as soon as possible, as spots fill up quickly. I look forward to seeing you this summer.

Ken Davis
