- Exhibit any behavior/citizenship that is considered detrimental to the individual, the reputation of the Grace Elizabeth Groner Foundation or Lake Forest College. Inappropriate behaviors include, but are not limited to: plagiarism, cheating, illegal acts, aiding and abetting, insubordination, lying to school officials or representatives of the Grace Groner Foundation, falsifying information/signatures, hazing, bullying or intimidating acts, theft, fighting, vandalism or any other conduct which in the sole opinion of the Foundation Trustees brings dishonor to the Grace Elizabeth Groner Foundation.
- Maintaining or being identified on a social media platform that depicts illegal or inappropriate behavior will be considered a violation of this code.

If there is a violation of the Code of Conduct, the student’s privilege of participation in the Grace Elizabeth Groner Foundation will be terminated immediately.

Service-learning sites may have more restrictive policies on drug use, alcohol consumption and/or behavior. It is the student’s responsibility to learn about the site’s policies and to abide by them.
