A MESSAGE FROM COACH
KEN DAVIS

We are very excited to announce our 2016 camp schedule and look forward to hosting, once again, at Lake Forest College. Ryan Davis and Ross Ferrakin, first-year assistants, will be heading the camp, and will be joined by members of our men’s basketball program. The recent $17 million dollar addition to our Sports Center will allow campers to take advantage of one of the finest athletic facilities in the Midwest.

On behalf of myself and our staff, we look forward to making this a fun experience for all campers. Not only will your child learn the fundamentals of the game via breakdown sessions, they will also benefit from real-game experiences. To ensure your child doesn’t miss out on this opportunity, we recommend sending in your application as soon as possible, as spots fill up quickly. I look forward to seeing you this summer.

This is our biggest and most competitive camp of the summer, with multiple leagues and teams based on age groups. Each league will have individual and team tournaments at the end of the week. Overnight campers will enjoy all-you-can-eat breakfast, lunch and dinner each day. Commuter campers will receive lunch and dinner only.

SKILL DEVELOPMENT CAMP

GRADES 1-3: HALF DAY SESSION, 9 AM TO NOON

This camp will focus on shooting and ball handling. Coaches will break down each camper’s shot from shot preparation to follow-through. As the week progresses, campers will learn how to shoot on the move, off the dribble and in drive and kick situations. Ball handling is a must for any player wanting to advance in their player career. To help in this advancement, we will put campers through various 1 and 2 ball handling drills. Lunch is not provided. Please pack a lunch.

LOCATION
Camps are held at the Lake Forest College Sports Center. Opened in April 2010, this $17-million dollar athletic facility is home to 17 intercollegiate sports. Campers will have the opportunity to utilize all of the building’s features, including the brand new air conditioned gymnasium, four basketball courts and swimming pool (overnight camp only).

OVERNIGHT ACCOMODATIONS
Campers will be housed in the college’s dormitory rooms. Each quad houses four campers, has two separate rooms and its own personal washroom facility. Should you have a roommate preference, please indicate the name or names (up to four campers per room) and mail the applications in together. Every possible attempt will be made to accommodate your request. If you do not have a roommate preference, your son will be paired with other campers in his age group. The college cafetena will provide excellent, all-you-can-eat meals for each camper.
