OPTIONS IF YOU EXPERIENCE SEXUAL MISCONDUCT

1. GO TO A SAFE PLACE AS SOON AS YOU ARE ABLE
   • Call 911 for emergency assistance from local police or medical personnel.
   • You can also call Public Safety at 847-735-5555 for assistance.

2. SEEK MEDICAL ASSISTANCE
   It is advisable to seek medical attention as soon as possible if you have been injured or if you believe you may have been exposed to an STI or potential pregnancy.
   • Advocate Condell Medical Center Emergency Room: 801 S. Milwaukee Ave, Arlington Heights; 847-960-5000 (24/7 Sexual Assault Nurse Examiners available to assist victims and collect physical evidence; can conduct STI exposure and pregnancy risk assessment).
   • Highland Park Hospital Emergency Room: 777 Park Ave West, Highland Park; 847-432-8000 (employs specially trained Sexual Assault Nurse Examiners to assist victims and collect physical evidence; can conduct STI exposure and pregnancy risk assessment).
   • Lake Forest Hospital Emergency Room: 660 N. Westmoreland Rd, Lake Forest; 847-751-6150 (can conduct STI exposure and pregnancy risk assessment).

3. PRESERVE EVIDENCE
   Even if you have not been physically hurt, a timely medical exam is recommended to collect physical evidence, which may be necessary to criminally prosecute the offender and may be helpful in obtaining an order of protection in court should you choose to do so.
   To best preserve evidence, it is suggested that you seek medical attention as soon as possible and that you do not shower, brush teeth, use the bathroom, eat, or change clothes or bedding before going to the hospital. Inform the hospital or police if you believe a drink may have been drugged. Under Illinois law, the cost of an examination for a sexual violence survivor that is not covered by insurance or public aid will be covered by the State and not billed to the patient.
   You should also save other potential evidence, including text messages, instant messages, social networking pages, and any other information about the incident.

4. SEEK CONFIDENTIAL COUNSELING/ADVISING
   Many different confidential psychological or emotional support options are available on campus and in the community. Consulting the following confidential resources will NOT result in a report to the College’s Title IX Coordinator or law enforcement. The Lake Forest College Health and Wellness Center provides confidential advisors trained to provide emergency and ongoing support to those who have experienced sexual misconduct.

   Supportive and/or protective measures may be implemented by the College, when reasonably available, to help provide a more safe and stable environment. Supportive and/or protective measures can be requested through the Title IX Coordinator at any time, regardless of whether you seek resolution of a sexual misconduct complaint. Examples of available supportive and protective measures include:

7. FILE A COMPLAINT WITH LAW ENFORCEMENT
   Non-consensual sexual penetration or contact, domestic violence, dating violence and stalking are crimes. Individuals are encouraged, but not required, to report these crimes to the police. The Title IX Coordinator and Public Safety will assist individuals wishing to make a report to the police. If the incident occurred on campus, the Lake Forest Police Department has jurisdiction and can be contacted at:
   • Lake Forest Police Department: 255 W. Deepthorp Rd, Lake Forest, IL 60045 847-234-2601 (non-emergency).

CONFLICTIVITY, AMNESTY, AND RETALIATION
   Information related to a report of sexual misconduct will be shared only with those who need to know to assist in the resolution of the matter. Reporting students may request confidentiality or that their report not go through a formal resolution process. Generally, the Title IX Coordinator will be able to honor such requests, except where a threat to the community exists based on the use of weapons, violence, pattern, or other threatening conduct by the accused.

A student who reports sexual misconduct, either as a complainant or third party witness, will not be subject to disciplinary action by the College for their own personal consumption of alcohol or drugs at or near the time of the incident, provided that they did not place the health or safety of another person at risk.

Retaliation against an individual for reporting sexual misconduct or participating in the complaint resolution process is prohibited. Retalation concerns should be reported to the Title IX Coordinator.

COMPLAINT RESOLUTION PROCESS
   Below is a summary of the College’s Sexual Misconduct Complaint Resolution Process. The full process is detailed at lakeforest.edu/sexualmisconduct

Preliminary Inquiry: The Title IX Coordinator will assess the nature of the sexual misconduct report, the safety of the involved individuals and of the campus community, the Complainant’s preference for resolution and/or request for confidentiality, and the necessity for any protective measures to maintain the safety of the Complainant or the community.

Informal Resolution: Where appropriate, the Title IX Coordinator may informally resolve complaints by taking action to stop the behavior, address its effects, and prevent recurrence without a formal investigation.

Formal Investigation: When a complaint cannot be resolved informally, the Title IX Coordinator may refer the matter to a formal resolution process, the College will conduct a prompt, thorough and impartial investigation. Investigations are typically conducted by the Title IX Coordinator or designee and consist of interviews with the Complainant, Respondent and other identified witnesses and gathering of other relevant evidence. All parties may have a support person of their choosing present throughout the proceedings.

Final Determination: The College will make a good faith effort to resolve all sexual misconduct reports as expeditiously as possible. Most matters are resolved within 60 days. The investigator shall determine whether it is more likely than not (i.e., by a preponderance of the evidence) that sexual misconduct occurred. All parties will be notified, simultaneously and in writing, of the investigator’s determination and their right to appeal. If the investigator determines that misconduct has occurred, the report will be forwarded to the appropriate College official for determination of sanctions.

Sanctions: Sanctions for sexual misconduct offenses may include: verbal or written warning, mandatory education/programming, community service, probation, removal from housing or other campus programs or positions, prohibition from buildings or areas of campus, suspension from school or employment, and separation from the College.

Appeals: Either party may appeal the final determination and/or the sanctions to the Sexual Misconduct Appellate Board, whose decision is final.
