Collections and works of art: Collections (musical instruments, historical treasures and similar treasures held as part of collections), which were acquired through purchases or contributions since the College's inception, are not reflected in the statements of financial position. As of May 31, 2024 and 2023, the insured value of these items was approximately \$4,500,000. In addition, as of May 31, 2024 and 2023, the College has a Life Estate interest in artwork and museum furnishings valued at approximately \$4,400,000. The collections are subject to the College's policy that requires proceeds from their sales to be used for direct care of collections or acquire other items for collection. There were no amounts realized for deaccession of collections for the year ended May 31,

2024 and 2023.

Part III, line 4:

Teaching, research, exhibition and publication are the foremost ongoing goals of the gallery's permanent collection. To best serve the Lake Forest College community and its non-community constituents, the gallery will continue to collect the best of the past and the present, acquiring art that is of high aesthetic quality and historic importance, objects representative of major period styles and significant movements and directions, objects consonant with the gallery's current holdings.

Part V, line 4:

The College's endowment provides revenue to support the general operations of the College primarily for academic and scholarship programs. Individual funds are managed by the donor's intent.

Part X, Line 2:

The College has received a determination letter from the Internal Revenue

Service indicating that it is a tax-exempt organization as provided in

Section 501(c)(3) of the Internal Revenue Code of 1986 and, except for

taxes pertaining to unrelated business income, is exempt from federal and

state income taxes.

The accounting standard on accounting for uncertainty in income taxes

addresses the determination of whether tax benefits claimed or expected to

be claimed on a tax return should be recorded in the financial statements.

Under this guidance, the College may recognize the tax benefit from an

uncertain tax position only if it is more likely than not that the tax

position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the College and various positions related to the potential sources of unrelated business taxable income (UBIT). The College has no amounts accrued for interest or penalties as of May 31, 2024. There were no unrecognized tax benefits identified or recorded as liabilities for the reporting periods presented in these statements.

sale of college assets or tangible property; adoption of the annual budget; and conferral of degrees. The executive committee shall assist the chairperson of the board and President with their joint responsibility to help the board function effectively and efficiently by suggesting board meeting agenda items and periodically assessing the quality of committee work. The committee shall report its actions at the next meeting of the board of trustees.

Form 990, Part VI, Section B, line 11b:

The Form 990 is reviewed by the VP for Finance and AVP for Business. RSM presents the Form 990 to the Financial Stewardship Committee to approve prior to filing. The College also provides a copy of the Form 990 to the board of trustees on a secure website prior to filing the form with the IRS.

Form 990, Part VI, Section B, Line 12c:

All interested persons are required to disclose conflicts annually. Forms are sent to board members, senior administrators, and all department managers. The secretary of the College accumulates all disclosure statements for board members and furnishes them to the chairman of the board. The secretary of the College reports to the chairman of the board those individuals who fail to furnish an annual statement. Board members and senior administrators who have declared a conflict of interest, or who have been found to have a conflict of interest, shall refrain from participating in any proposed transactions involving outside interest held by the board member or senior administrator. This includes consideration of the transaction or voting, unless the board or administration requests information or interpretation for special reasons that are stated on the

record or in writing. Should a determination regarding the existence of a conflict of interest matter require an executive committee or board vote to resolve, those concerned shall not be present at the time of the vote. The VP of Finance collects and reviews the forms which are not board members or senior administrators. Compliance is checked by the VP of Finance, and conflicts are resolved with the review of the President. Noncompliance is a performance issue and appropriate actions are taken.

Form 990, Part VI, Section B, Line 15:

The College has a total compensation philosophy which has been approved by the compensation committee of the board of trustees and has been communicated to all staff. Compensation for the President is targeted at the median of the defined peer group. The peer group of colleges includes the Associated Colleges of the Midwest (ACM) and the Great Lakes Colleges Association (GLCA). The compensation committee periodically reviews IRS Form 990 filings from both groups as well as the ACM and GLCA and CUPA surveys to ensure that total compensation levels for the President conforms to the approved total compensation policy. These procedures were undertaken in our fiscal year which was June 1, 2023 through May 31, 2024, and calendar year 2023.

Form 990, Part VI, Section C, Line 19:
